

December – Waverly Golf Club – Round 3 of the VSGC Championship

Waverly Golf Club was the lucky venue that saw the final round of the VSGC Championship. The day was ready for a surprise outcome, & it did not disappoint. There was the usual fun times that every round produces, & also some sadness.

Rade Krstic was in an unfortunate car accident on his way to the Golf Day, which landed him in hospital. All of the members from the VSGC would like to wish Rade a speedy recovery, & also pass on a message to his family, to keep strong & support Rade to a quick & full recovery, as well as being strong for one another.

The rain came down on the final Sunday for the VSGC championship, however the members were ready for some hot golf, with 5 members in contention for the top spot, & everyone brought their "A" Game. All the VSGC members were also in for a special treat, as the club BBQ was also to follow, so we all knew there were going to be no losers & a good time to be had.

By day's end the scores were starting to gather, Milan Vekovich being the front runner, with Sladjan Krsic, Stefan Rupa, Mirko Pajic & President Pavle Jonovic all hot on his heels,... the tension was started to mount. However, like every VSGC golf day, this one did not disappoint, with a few surprises. Timce Spasovski rose to the top with a superb net 66, followed by Petar "Skins" Stojanovic with a net 67, followed by a very consistent Damir Trkulja with a net 68 & new comer Vladan Andjelkovic. Timce was also announced "The Champion" for his effort as BBQ chef, with Pavle Jonovic, these 2 gentlemen go out of their way to cook up a feast every time, & this time they did not disappoint.

Congratulations to Timce, Petar, & Damir on their win at Glen Waverly, but we cannot go past talking about the VSGC Club Championship, to which Milan Vekovich finished the year as the Champ, with Sladjan Krsic, Rade Krstic, Stefan Rupa & Ray Desancic all deserving a notable mention.

Other notables were, new comer Vladan Andjelkovic, Dragan Ivkovic who's a blast from the past, Milan Denic, Bora Vasic & Milan Tomic. The VSGC would like to congratulate Milan Vekovich for the treble this year, as he collected the first place in the Aggregate, the VSGC Championship & tied Pavle Jonovic for the least amount of putts in the competition. The club would also like to congratulate Timce Spasovski as a first time winner, & Petar Stojanovic for his second place. Keep the good times coming & we all hope to see you at the Serbian Interstate Challenge.

Once again the final word must go out to Rade Krstic who's in recovery mode, we all hope you get through it & we hope to see you on the course again.
